MOUNT HUMAN FOUNDATION

WHO WE ARE

Mount Human Foundation is a non-profit organization committed to holistic community empowerment. We focus on mental wellness, skill development, rural development, women empowerment, and sustainable practices to uplift underprivileged individuals and promote inclusive growth.

Mount Human Foundation is a non-profit organization dedicated to holistic community empowerment. We serve as a bridge between marginalized communities and the opportunities they deserve—mental wellness, education, livelihood, dignity, and equality.

✓ ***Legal Status: Registered Non-Profit Trust***

✓ ***Established: 2024***

MOUNT HUMAN FOUNDATION

VISION & MISSION

VISION

To build a compassionate and inclusive society where every individual has access to mental well-being, quality education, healthcare, and opportunities to grow and thrive with dignity.

MISSION

Mount Human Foundation empowers communities through mental health, women's empowerment, skill development, and rural upliftment. We promote healthcare, sustainability, cultural heritage, digital inclusion, and social justice for a more equitable society.

MOUNT HUMAN FOUNDATION

OUR CORE VALUES

COMPASSION (KARUNA)

Har vyakti ke dukh ko samajhna aur madad karna.

EQUITY (SAMANATA)
